RongBong

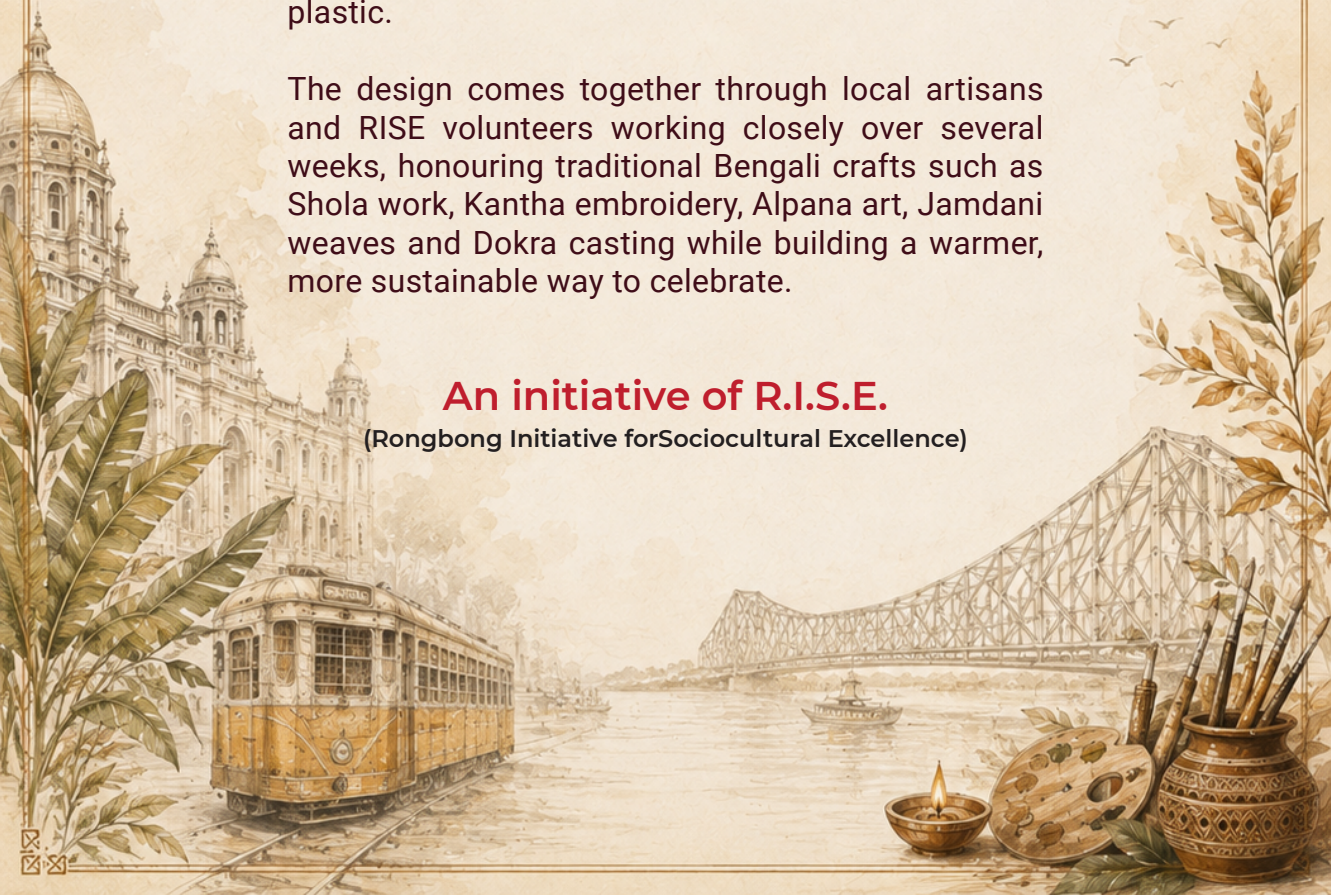

Celebrating its 5th year, RISE at Parkwoods unveils **Prakriti – The Soul of Bengal**, a decoration theme built entirely around nature, craft and culture. Every element you see, the lotus canopy overhead, the hand-carved idol backdrop and the murals tracing Bengal's rural riverbanks alongside the trams and colonial facades of old Kolkata is handcrafted using sustainable, recyclable materials such as jute, bamboo, cane, terracotta, kraft paper and reclaimed wood. Nothing here is mass produced and nothing is plastic.

The design comes together through local artisans and RISE volunteers working closely over several weeks, honouring traditional Bengali crafts such as Shola work, Kantha embroidery, Alpana art, Jamdani weaves and Dokra casting while building a warmer, more sustainable way to celebrate.

An initiative of R.I.S.E.

(Rongbong Initiative for Sociocultural Excellence)
